SUPPLEMENTAL RESPONSE

Sir:

Applicants submit the following Supplemental Response to the non-final Office Action dated November 10, 2004. On March 10, 2004 Applicants had also filed a response to this Office Action. This Supplemental Response is being submitted to further clarify how the invention as claimed is patentable over the applied prior art. Since the previously filed amendment is fully responsive to the Office Action, applicants submit that no additional extension of time fee is necessary.
